## NOTICE

### Subject: Importance of APAAR ID and Verification of Student Records for Board Examination

Dear Parents/ Guardians,

Greetings of the Day!

This is to inform all students of Classes IX to XII that, as per the latest CBSE guidelines, the APAAR ID (Automated Permanent Academic Account Registry) has been made mandatory for all students appearing for the CBSE Board Examinations.

For students of Classes X and XII, the APAAR ID will serve as the primary identifier during the submission of the List of Candidates (LOC) for the Board Examinations.

#### Important Guidelines:

All students must ensure that their personal details (such as Name, Date of Birth, etc.) recorded in the school database are exactly the same as those in their AADHAR records.

Any discrepancy in personal information may result in complications during the LOC submission and registration process for the Board Examinations.

Students who do not have a valid APAAR ID will not be eligible for submission of their names in the LOC for the CBSE Board Examinations.

Students of Classes IX and XI are also advised to verify their records, as these details will be relevant for Board registration in the following academic year.

#### Action Required:

If there is any discrepancy in your school or AADHAR records, or if you have any queries regarding the APAAR ID, you are advised to contact the school management at the earliest for necessary assistance and rectification.

Your cooperation is essential to ensure a smooth and error-free registration process.
