

DAV PUBLIC SCHOOL, SECTOR- 6

“ A WAY TO EXCELLENCE ”

Bokaro Steel City, Ph. - 06542- 268894, 9430104095

www.dav6bokaro.org, E-mail : bokarodav6@gmail.com

Dear Parents and Guardians,

During the dark days of COVID-19 spread when everything got halted and we had nothing left but to stay at home, our school did not wait helplessly. We continued the virtual classes to meet the need of our students. Online classes have been still going on to cover the syllabi and keep your children engaged in studies . The teachers are working harder than before and are taking all the care to solve and clear the doubts over phone using what's App/ Audio classes/Video classes/ Text etc. Everyday our teachers are coming with new ideas to make the online classes interesting so that our children do not get bored and hence we came up with **Online Yoga compt., Art and Craft, Science Exhibition, Poetry Recitation Competition, Singing Compt. and many other CCA activities.**

Dear Parents, against all adversities we have been here with you and the children, we have left no stone unturned under the new/adverse situation . **Now, we utterly feel the need of funds for the Online Class-platform: technological up-gradation for online class delivery, teachers' training, support , other online services and most importantly the remuneration of our Teaching & non-Teaching staffs to reach out our students.** It is your school and hence we pray and hope your support to overcome the challenges during these days.

Online fee payment link is given in the school website dav6bokaro.org or you may visit the School office for the same on any working day between 9.00 AM to 1.30PM.

We request you to pay the school fees to support our efforts empowering us to walk across this adverse situation .

With best wishes ,

Principal .
